NOTES

This handbook is designed for use by members of the Forest Service, U.S. Department of Agriculture.

It shows the organization of the Forest Service, with the addresses and telephone numbers of the main field offices, but not the addresses of each Ranger District.

It lists personnel chiefly responsible for the various units, key functions, program managers, and/or research projects at the GS-11 and above level only. It also lists the support person that reports directly to the head of the unit only.

THIS IS NOT A LISTING OF ALL FOREST SERVICE PERSONNEL.
